PA16/01208	16/2/16 online	Mrs G Robbins	Proposed rear first floor extension with rear facing Juliet balcony 14A Ventonleague Row Ventonleague Hayle Cornwall TR27 4EJ	7/3/16 – extension req'd 16/2/16 and approved	Chris Williams The extension will be relatively concealed in the context of the surrounding Conservation Area and WHS, and is considered to be of no harm beyond that of numerous first floor additions apparent in the locality. partially visible when approaching from the east along the highway fronting the site, it is apparent that there is an extant permission for two dwellings to be constructed between numbers 12 and 14 Ventonleague Row that will further mitigate the limited impact of the proposed extension. Preserves character and appearance of Conservation Area and the Outstanding Universal Value of the WHS. Due to the relatively modest extent of the proposed extension together with its location relative to surrounding properties and the numerous upper floor windows apparent in the vicinity, the proposed works are not considered to raise any significant issues of concern beyond that existing by way of overbearing, overlooking, or loss of light.	No objection 18/3/16		Approved 23/3/16	

App. N°	Date received	Applicant	Application details and Location	Date for comments	CC Officer and Comments	HTC Decision and Date sent to CC	To go to CC Cmtte	CC Decision and date Rec'd	Report CC Decision to HTC
PA16/01322	23/2/16 online	Mr And Mrs C Adams	Proposed rear first floor extension, loft conversion and balcony Barberton Cottages, Lethlean Towans, Phillack TR27 5AP	14/3/16 – extension req'd 23/2/16	Sara De Barros	Objection on grounds of overlooking of neighbour. 18/3/16		Approved 6/4/16	
PA16/01526	24/2/16 online	Mr Gareth Critchley	Rear extension/annex for elderly relative 9 Hayle Terrace, Hayle TR27 4BU	15/3/16 – extension req'd 24/2/16 and approved	Kirsty Smith The site consists of a two storey semi-detached dwelling. The proposal seeks to create a linked single storey annex to the side of the dwelling adapting the pram room into a wet room. The unit is for an elderly relative. It is considered that, by virtue of its form, design and finishes of granite walls, cement fibre roof tiles and timber painted double glazed sash windows matching the development will preserve and enhance the character of the existing dwelling, and will preserve or enhance the character or appearance of the Conservation Area. The proposal thereby accords with policy 24 (Historic environment) Cornwall Local Plan Strategic Policies 2010 -	No objection 18/3/16		Approved 29/3/16
