PA15/08517	24/9/15	The MSG Group	1 fascia sign and 1 projecting sign  14 Penpol Terrace, Hayle TR27 4BQ	13/10/15 – extension req'd 24/9 and approved	Miss C Pitt No initial concerns, although the WHS team have asked whether the projecting sign can be removed from the proposal.	HTC strongly objects on the grounds that the signs are internally illuminated, which is contrary to both HTC's policy against internally illuminated signs and the emerging neighbourhood plan, and the fact that it is in a World Heritage Site area. HTC considers the signs to be totally unacceptable – submitted online 16/10/15
