PA15/01829	9/3/15	Mr B Jenkin	Demolition of Dwelling and Construction of Replacement Dwelling  23 Loggans Road, Hayle TR27 4PL	26/3/15	Phil Brookes The principle of development is acceptable though I have some concerns regarding the appropriateness of the design and scale of the proposed dwelling in a setting characterized by one and one and a half storey dwellings.	Hayle Town Councils objects on the grounds that the design is of a two storey dwelling and would be out of place amongst the other one and one and a half storey dwellings nearby – submitted online 20/3/15

PA15/02179	11/3/15	Mrs R Pierce	Conservatory 40 Ash Drive, Hayle TR27 6PF	30/3/15	Sara De Barros <b>I have just had a look at the plans and it would seem the proposed development is acceptable. The proposed Conservatory is well within the limits of a proposal of this type. I consider this to be acceptable considering the proposed footprint and style of the Conservatory and hope that Hayle Town Council can support the application.</b>	No objection – submitted online 20/3/15			
PA15/01214	11/3/15	Mrs Susan Crew, Strawberry Blonds	Advert Consent: Non-illuminated signage  62 Penpol Terrace, Hayle TR27 4BH	30/3/15	Martin Jose  Proposal seeks a non-illuminated sign. As the building is a listed building there is some concern that the proposed design does not respect the historic character of the building and as such the applicant may want to look at a reduced design to reflect the character of the area.	Hayle Town Council objects strongly as the design is not in keeping with the historic character of the building which is in a conservation area and World Heritage Site – submitted online 20/3/15

Given the fact the attached neighbouring dwelling already hosts a front balcony, and large proposed rear balcony (approved under PA13/08112), I think it would be difficult to resist a dormer extension with Juliette balconies.</b>	No objection – submitted online 20/3/15

PA15/01953	12/3/15	Messrs Davies and Palmer	Construction of a pair of semi-detached dwellings  12 Back Lane, Angarrack, Hayle	31/3/15	Phil Brookes  The principle of residential development at this site is considered acceptable. I have not as yet looked carefully at the details of this proposal though I do have some initial concerns with regards to the scale and design of the proposed dwellings, particularly in terms of how they might impact on the setting of the listed viaduct.	Hayle Town Council objects on the grounds that the design and scale of the proposed dwellings are out of place in this location and that the dwellings would impact on the setting of a listed structure. – submitted online 20/3/15
