			Holm Oak H1 on plan adjacent to building with Basal Rot and fruiting bodies to main stem. Reduce canopy as shown in photo 2 to reduce stress to main stem as its structure is compromised due to extent of basal rot. Penpol House, 12 Penpol Avenue, Hayle						
PA15/10070	Not yet rec'd	Mr and Mrs Michael Edwards	Replacement of front and rear conservatories with sunrooms The Retreat, 47 Riviere Towans, Phillack TR27 5AF	18/11/15 – extension req'd 12/11/15 and approved	Sarah Dyke No objections. Visually acceptable. There is potentially more amenity impact in terms of overshadowing upon the occupiers of the attached neighbouring property (due to the rear sun room). However this is single story and replaces an existing structure that was in a similar location. Any overshadowing is unlikely to be so significant to warrant refusal.	No objection 20/11/15
