| PA13/11655 | 20/1/14 | Mr and Mrs P Taylor | Erection of a raised balcony on the front Morwenna, B6 Riviere Towans, Phillack, Hayle | 6/2/14 – extension req'd 22/1/14 and approved | Sarah Dyke I have visited the site and made an assessment of potential visual/amenity impact. I can supply you with site photographs if this would help for your meeting. I note that the existing chalet is two storeys high, which I was surprised to see as this is quite unusual for this location. Whilst the balcony would be at first floor, the chalet is situated on uneven land which rises to the front (making it appear more like a single storey structure when viewing from the north) and there are other glass balcony structures scattered across the park. A glass balcony structure would not appear out of keeping in this setting. The chalets in this location are already overlooked to some degree. This is expected given that they are holiday buildings with no private gardens. It is noted that the balcony would increase the likelihood of overlooking, but given the existing | No objection – submitted online 21/2/14 | | Approved 24/2/14 | |

|---------------------------|----------------------|--------------------|---|--|--|--|-------------------------|-----------------------------------|----------------------------------|
| | | | | | situation I do not consider that the use of the balcony would result in such significant additional overlooking to warrant refusal of the application. | | | | |
| PA14/00425 | 22/1/14 | Mr Julian Phillips | Single storey rear extension and solar panels to south elevation 12 Carwinard Close, Angarrack, Hayle | 7/2/14 – extension req'd 22/1/14 and approved 23/1/14 – email comments 21/2/14 | Chris Williams Modest and acceptable alterations/additions that raise no significant issues of concern. Very likely approval | No objection – submitted online 21/2/14 | | Approved 24/2/14 | |
| PA14/00347 | 23/1/14 | Mr M Whitton | Construction of replacement rear extension, with balcony on North elevation. Demolition of existing and construction of a replacement garage. Associated works. 67 St Georges Road, Hayle TR27 4AL | 10/2/14 – extension req'd 23/1/14 and approved 24/1/14 – email comments 21/2/14 | Chris Williams Although the rear extension may be regarded as relatively large, it remains subservient and is considered to be of a form that respects the host property. The proposed garage remains single storey and the inclusion of a pitched roof is considered an improvement over the existing structure. The proposed replacement porch and patio/decking are regarded as minor and acceptable alterations. The application further allows for the | No objection. Hayle Town Council commends the plans which were very clear. The comments from the Planning Officer were also very helpful – submitted online 21/2/14 | | Approved 21/2/14 | |

|--|--|--|--|--|---|--|--|--|--|
| | | | | | <p>retention of adequate off-road parking.</p> <p>With reference to the residential amenities of the occupiers of the neighbouring properties, the proposal is not considered to raise any significant issues of concern beyond that existing. Although the proposed rear balcony is likely to result in some increase in overlooking, given the recessed nature of the structure, together with absence of any objections from the occupiers of neighbouring properties, this increase is not considered to be of such detriment as to warrant refusal of the application. With regard to overbearing and loss of light, although this is again likely to increase in relation to adjacent properties, due to the design and scale of the extension together with its proximity relative to surrounding dwellings, any additional overbearing and loss of light allowed by the proposal are considered negligible. Likely approval</p> | | | | |

| PA14/00421 | 23/1/14 | Mr David Arnold | Felling of a eucalyptus 5 Millpond Avenue, Hayle TR27 4HX | FYI only – decided under delegated authority | Zoe McAden We have already determined this one, but you might like Oliver’s comments: Thank you for your consultation. I visited the site on the 27th January 2014 and my comments are as follows: The tree which is the subject of the notice provide a positive contribution to the setting of the Conservation Area, but is not of significant amenity value. The tree is overbearing on the tree owners and neighbouring property, and has a slightly one sided pattern of crown growth, probably as a result of winter cold damage. The twin stem union at the base of the tree is not ideally formed. On the basis of the above, I would not recommend the placement of a Tree Preservation Order. Oliver Bennett, Tree Officer | N/A | | | |
| PA14/00149 | 31/1/14 | Mr Rob Johns | Advertisement consent for the display of 3 non illuminated signs Unit 24 March Lane Industrial Estate, Hayle | 18/2/14 – extension req’d 31/1/14 and approved | Martin Jose | No objection – submitted online 21/2/14 | | | |
