					<p>*a reduction the ground floor level by 200mm so that the building sits slightly lower in the site</p> <p>*The revisions to the application have the support of the forestry officer</p> <p>I consider that with the alterations now proposed, and the support of the forestry officer, we could not sustain a reason for refusal on over-development or impact on Trees. I hope that your Cllr's will consider this case carefully. Whilst I appreciate that the Town Council and many neighbours would prefer to see a single dwelling on the site, two small dwellings are being progressed on the site and we have to consider the application before us. I look forward to your comments on the 22<sup>nd</sup>.</p> <p>I note that you have also a proposal to comment on further up Trelissick Road for an infill dwelling also in the Conservation Area. I will be interested in how Members consider</p>

PA13/09389	31/10/13	Mrs Gill Baron	Various tree works  Harbour Cottage, 1 Penpol Avenue, Hayle	FYI only – decided under delegated authority	Kirsty Smith The Application for work to Trees in a Conservation Area was approved on 7.11.13 The Tree Officer comments are below: I have not visited the site as I have a working knowledge of the area, and accessed street view to assess public amenity contributions within the street scene. The proposed works will have an impact to the setting, as the crowns will be significantly reduced with the proposed pollarding. Provided the pollard points are carefully selected, and the pollard cycle of cutting is maintained, the trees could make formally managed features and improve their amenity contribution in time. Allowing the trees to develop to their full potential could result in structural damage to the boundary walls of the property, and pollarding would be a reasonable management option. <b>In this case I would not recommend the</b>	N/A		Decided not to make a TPO (TCA apps)
