PA17/02207	18/4/17	Mr Terence Mulhearn	Change of use to leisure and recreation Unit 8, Marsh Lane Industrial Estate, Hayle	9/5/17 – extension req'd 19/4/17 and approved	James Moseley Likely acceptable, common use in industrial areas. Recognise concern over parking, 4 spaces understood to accompany unit. But, would suggest that potential uses at present or other uses that wouldn't require planning permission could generate just as many vehicular movements to and from the site.	No objection, but the town council would like to highlight concern regarding highways issues. 26/5/17		Approved 5/6/17

PA17/02604	27/4/17	Alison Cartwright	To extend the current property and add an additional floor to the building 3 Cliff Bungalows, Riviere Towans, Phillack, Hayle	18/5/17 – extension req'd 27/4/17 and approved	Chris Williams Yet to fully assess. Significant extension but application property/terrace not considered to be of such architectural or historic interest as to warrant retention in its current form and the design appears likely to be acceptable in context of surrounding development. Likely to be acceptable if no significant impact upon neighboring properties. Please note that the re-consultation is because the ownership Certificate submitted with the original application was incorrect. There is also a small revision to the sides of the extension to propose render in lieu of the originally proposed cladding. (HTC resolved 'no objection' to the original application on 20/4/17.)	HTC objects to this application in support of the comment raised by Karen Seagrove – 'The context of this proposed develop(ment) goes against Cornwall Council Planning Policy per the Domestic alterations and extensions guide.' 26/5/17
