PA17/11616	18/12/17	Mr Jonathon Gavourin	Demolition of existing bungalow and construction of replacement dwelling 7 Gwel-tek, Phillack, Hayle	8/1/18 – extension req'd 19/12/17 and approved	Chloe Pitt Given the character of the area where there is predominantly 1 storey dwellings, the 2 storey replacement dwelling is considered to be at odds with the immediate vicinity and seen to be overdevelopment for the site. Furthermore, a 2 storey construction is considered to be overbearing to the next door property at 8 Gwel Tek. For these reasons, officer support won't be given.	Hayle Town Council objects to this application in agreement with the planning officer's comments that the proposed building would be overbearing to the next door property and would be overdevelopment of the site. 19/1/18		
PA17/11763 & Listed Building Consent PA17/11764	19/12/17	Mr Mike McGuire	Listed building consent application for removal of garden potting shed & construction of garage & artist studio 15 Steamers Hill, Angarrack, Hayle	9/1/18 – extension req'd 20/12/17 and approved	Kirsty Smith The property 15 Steamers Hill is a two storey house which is Grade II listed and is located in the village of Angarrack. Constructed of Killas and granite rubble walls, with scantle slate roof, the building is thought to date from 1867 to 1899, also having a listed front garden wall, gate, piers and railings. The proposal is to remove the potting shed in the rear garden and construct a garage on the edge of the plot onto the highway with an artist studio above. PA17/11764 is received for Listed Building Consent. The site was visited to display the notice.	No objection to both. 19/1/18

					<p>Any identified significant adverse effects on protected species? N - A Bat and Barn Owl Report is provided, there is local water and trees however the potting shed does not seem to be of the construction suitable to bats, an informative is applied.</p> <p><u>Balance of Considerations:</u></p> <p>Visual Impact It is considered that the garage/studio having hung slate to the top of the walls, render to the lower walls, grey upvc windows and doors and slate roof will preserve the setting of the nearby listed building, and the development thereby accords with paragraphs 126, 129 and 131-134 (inclusive) of the National Planning Policy Framework 2012, and the duty imposed under S.66(1) of the Planning (Listed Buildings and Conservation Areas) Act 1990.</p> <p>Residential Impact Although the proposed development would result in some loss of to the occupiers of the adjacent dwellings as a result of overlooking it is not considered that the impact would, on balance, be so significant as to justify refusal of permission. This is because the windows to the North elevation will be obscure glazed and fixed closed. The proposed development is not considered to be overbearing or cause overshadowing to the neighbouring dwellings.</p> <p>Parking</p>

					<p>It is considered that the access to the new garage is safe and suitable and its use will not result in significant additional highway dangers. The development thereby accords with Government policy in paragraph 32 of the National Planning Policy Framework 2012 The Highways Officer has no objection to the proposal. Drainage Located within a Critical Drainage Area the garage floor and front section will drain into an 'acco' type drain which with the surface water will drain into a soak away system, an appropriate condition will be applied.</p>

			to flat from Penpol Terrace Land at 70 Penpol Terrace, Hayle					
PA17/12234	8/1/18	Mr & Mrs G Soper	Loft conversion including rooflights. Re-slate front roof slope. 40 Beatrice Terrace, Hayle TR27 4ED	29/1/18	<p>Kirsty Smith</p> <p>Description</p> <p>The existing property is a mid-terraced dwelling situated in the urban area of Hayle. The surrounding area comprises a row of terraced dwellings and faces an open recreation ground. The proposed development comprises conversion of the loft area with the addition of roof lights to the front and side elevations of the existing dwelling. The walls are to be finished in render, and the proposed lean-to roof will be covered with natural slate. These materials will match/complement the existing dwelling.</p> <p>Relevant Planning Constraints - Conservation Area, WHS, Floodzones, CDA</p> <p>Relevant Planning Applications - None</p> <p>The site will be visited to display the notice and view the rear for possible overlooking from the side roof lights.</p> <p><u>Balance of Considerations:</u></p> <p>Visual Impact</p> <p>It is considered that the new roof lights which are wooden framed set into the slate and grey cement fiber slate will preserve the character and appearance of the Conservation Area. The proposal</p>	No objection. 19/1/18
