

## **Council Corner**

**August & September 2018**

### **New Councillor**

In May Councillor David Andrewartha joined the council, representing North Ward. We welcome David to the team; he is already very active and bringing new issues to the table. His and all councillors' contact details are listed in this edition of the Hayle Pump and on the council's website page.

### **Hayle War Memorial Project**

Unfortunately the project start date has been delayed and will now commence in September. All of the work will be completed prior to the centenary which marks the end of the First World War. Cornwall Council is now proposing to enhance the wider area, including the parking area in front of Hayle Terrace, and it is hoped that this project will also be completed by October 2018.

### **Walk the Walk – Mayor's Sponsored Walk**

The Mayor's sponsored walk will take place on Sunday 9 September 2018 with a choice of a two or five mile route, so please keep a lookout for further information in the press and on the Council's notice boards. Sponsorship and registration forms are available from the town council office and St Julia's Fundraising Office. The money raised will be donated to Cornwall Hospice Care.

We will also require help on the day so if you feel you could spare an afternoon to volunteer as a marshal please get in touch.

### **Hayle Civic Service and Parade**

This year's event will take place on 7 October 2018 and as usual the Parade will meet and form in the Commercial Road Car Park from 2.30pm. Guests are invited to park in the car park and the Parade will process, led by Hayle Town Band, to St Elwyn's Church for the Civic Service, which starts at 3pm. Following the service the parade will return to the Day Care Centre for refreshments.

### **Consultation: Former Hawkins Motors Site – Hayle Terrace**

It is anticipated that this site will be formally transferred to the town council later in the year, in accordance with the Section 106 agreement that was put in place when the planning permission for the development of the houses was originally passed. The developers of the site are also obliged to give the Town Council the sum of £30,000 for the purpose of enhancing the immediate area.

The council wishes to consult with the local community and asks you to submit your ideas for what you would like to see at that spot. Given its proximity to the main road no consideration

will be given to suggestions of a play area but all other proposals are welcome. Please submit your written or drawn suggestions to the council to the council by the end of October 2018.

### **Plastic Free Hayle**

The town council recently resolved to support the campaign for Hayle to become a plastic free town and will actively reduce its use of single use plastic. It will work with Surfers Against Sewage to promote the initiative and encourages every individual, household and business in the area to reduce its use of single use plastic.
