She had made some very useful links and contacts to go forward from September.

She also explained that Year 10 would now be applying to be prefects for Year 11 and would like to informally meet to discuss their ideas and possibly arrange for them to attend a council meeting.

Councillors suggested a regular agenda item for a representative from the school to attend and give updates.

Councillor Lawrenson-Reid had attended a West Cornwall Health Watch meeting where concerns about the uncertainty regarding Polwithen House and the future plans for two wards were raised. Clarity is needed from Cornwall Council as to the situation. Concerns about end-of-life care, the change to how Macmillan nurses are available and how treatments are carried out were raised, and also about the integrated care system hoping to be started.

She also attended a Business Breakfast Meeting, where the changes witnessed since coming out of lockdown were discussed. ## **28        CLERK'S REPORT/CORRESPONDENCE/CONSULTATIONS/MEETINGS**

- a)     British Telecom: Proposal to remove telephone boxes at Copper Terrace, Trevithick Crescent, High Lanes, Bodriggy Crescent and Foundry Square

Members opinion on the boxes at Trevithick Crescent, High Lanes and Bodriggy Crescent as previously considered and agreed that they should remain, has not changed They felt that Foundry Square should be kept for public use in case of emergencies as mobile reception is not good in that location and Copper Terrace still has use, therefore:

**It was resolved** to oppose any further removal due to the sparsity of remaining telephone boxes in Hayle which includes areas of deprivation and poverty.

- b) Consultation: Protect Duty, to consider responding to the consultation, noting the report to Cornwall Council and CALC's response

Councillors discussed and agreed that the report was excellent and were in full support.

**It was resolved** to NOTE Cornwall Council's report and CALC's response with full support.

- c) Meetings

The Senior Support Officer confirmed meetings for the following week.

As a matter of urgent business, the Mayor invited Councillor Brown to discuss with members the recent damage and plant thefts that had been affecting the community. Councillors discussed the impact on local people, organisations and volunteers, and various measures that could be put into place to deter the culprits including more CCTV, heightened vigilance, and more police presence in the hotspot areas.

The Mayor wished to thank the volunteers, the gardener and Hayle in Bloom for their tremendous efforts. He also proposed to make the topic a specific agenda item for a future meeting to discuss it appropriately.
