

HAYLE TOWN TEAM

TOWN TEAM MEETING

WEDNESDAY 2 MARCH 2022

Notes of the Hayle Town Team Meeting held via Zoom on Wednesday 2 March 2022 commencing at 7.00pm. Open to the public, businesses, community groups and volunteers.

7.00PM MEETING COMMENCED

1. INTRODUCTION AND WELCOME

The Deputy Mayor welcomed everyone to the meeting and there were brief introductions.

2. WELCOME BACK FUND UPDATE

The Town Clerk explained that Hayle Town Council had been successful in securing money from the Welcome Back Fund. There are four elements to the fund, three of which will be delivered by Cornwall Council. Firstly a town review was commissioned to identify what Hayle is missing, and to plan a way to attract people back to the town centre.

A Town App is the second element of the fund that Cornwall Council are commissioning which is now in the development stages.

The third element is a programme of cultural events to take place throughout March. Details of performances and acts will be available at info@hayletowncouncil.net and via social media as events, times and dates are confirmed.

3. VITALITY FUND UPDATE

The Town Clerk explained that following a previous meeting, Officers from Cornwall Council have redrafted the deliverables based on what is more important for Hayle. The reason behind what they are doing is so that when it goes out to procurement, the right professionals are obtained to carry out the work. Potentially, this could help with applying for further funding.

A member asked if the arts could be incorporated into this fund, and the Town Clerk said she would look into it.

4. LEVELLING UP FUND

It was explained that a white paper had been released which is now being reviewed, however, at the moment it is in the hands of Cornwall Council. They have questions for the government as to how well the plan suits Cornwall in particular. The idea is that Cornwall Council put together,

manage and submit applications received from local councils. More details will be released in due course.

5. HAYLE FARMER'S MARKET

It was explained that the first market would take place at the Passmore Edwards Institute on Saturday 5th March, St Piran's Day, from 10am – 3pm. There would be a variety of stalls including sweet and savoury bakes, locally produced meats, handmade jewellery and crafts, as well as coffee and cakes. There would also be a musician, face painter and magician for entertainment. The second market was due to take place on Friday 18th March at Phillack Church Hall where there would also be music and performances including dance and poetry.

For more information about stalls, please contact info@hayletowncouncil.net or 01736 755005.

It was asked if the market would be a regular feature, and the Town Clerk explained that it was on a trial basis to begin with to see if there would be support for it moving forward.

6. REPAIR CAFÉ UPDATE

Volunteers dropped in to offer their skills and discuss the idea and how to build momentum. However, it was highlighted that certain qualifications and insurances would be required. This is something that needs thorough research moving forward. Members were keen that the repair idea should be taken in a broad sense, not just the repairing of items, but the repairing of the community spirit and values, as well as promoting recycling and sustainability. It was thought that the market could be a good place for talks regarding living sustainably.

7. ANY OTHER BUSINESS

No other business was raised.
