The owner and developer of North Quay, Simon Wright explained that he was present to answer any questions, Members might like to raise.

Why are the sand dunes being dug up?

A base must be created for the road. The environment will be put back to sand dunes, as required by the World Heritage Site Office. Adhering to the s106 agreement, the buckthorn has to be removed and the plan is to re-plant marram grass this season, re-instating the dunes.

Can Hayle in Bloom rely on your support in helping to clear green waste from Penpol Terrace?

Yes, we are looking at installing planters as part of the development.

The Mayor thanked Mr Wright for attending and he left the meeting at 7.30pm.
